

Ramin Safa

Assistant Professor

College: Faculty of Engineering

Department: Computer

#### Employment Information

Faculty/Department	Position/Rank	Employment Type	Cooperation Type	Grade
Computer Engineering	Assistant Professor	Certain Contractual	Full Time	1

#### Executions And Scientific Activities

- Department Head of the **Computer Engineering**
- Technical Director of the **Innovation Hub**

#### Workshops

- Impact of AI on Future Job Roles
- Towards Predicting Mental Health Using Social Data Mining
- Personalization and Recommender Systems
- Application of Recommender Systems in Online Scientific Communities

#### Journal Membership

- IEEE Access
- The Journal of Supercomputing
- PeerJ Computer Science
- Journal of Medical Internet Research
- Intelligent Automation and Soft Computing
- Computer Systems Science and Engineering
- Computers Materials & Continua
- Bulletin of Electrical Engineering and Informatics
- Computer Modeling in Engineering & Sciences
- And more...
